[Warranty Conditions](#)

Installation Considerations

Ultraportable A Boards are packed in a single box with an easy-to-understand instruction sheet. No tool assembly. One set includes only the foldable aluminium profile A Board body with interlocking side scissors for keeping the system stable. Optional panels are not included, should be ordered separately.

Storage Conditions

Goods should be stored at 32°F to 77°F in a dry place. Store in the original package.

Design Considerations

Ultraportable Double-sided Pavement Sign with unique foldable design. Easy to use, carry and set up due to its foldability feature of top and bottom profile frames. Suitable for use with 3 different panel options: chalkpanel, write-on panel or PVC foam panel for direct printing. Panels with max. 0.19" thickness can be slid from top into the channels of the legs.

Cleaning and Disinfecting

Clean your displays, with damp microfiber clothes, rinsed with simply water or warm, soapy or gentle shampooed water. Avoid using vinegar, abrasive, acidic, alcohol-based or heavy cleaners or cleaners containing Ammonia. Only after cleaning the product, if needed, simply apply disinfectant or sanitizer that is in compliance with your local guidelines and regulations.

Hazardous Substances

M&T Displays prioritizes compliance with the REACH (Registration, Evaluation, Authorisation and Restriction of Chemicals) and RoHS (Restriction of Hazardous Substances) directives to protect both the environment and human health. We ensure that our products do not contain substances listed under REACH and adhere to strict RoHS limits for hazardous materials. Our manufacturing process ensures that lead, mercury, cadmium, and other restricted substances remain within the permitted thresholds, guaranteeing safe and sustainable products for our customers.
