

ECO ROLLER

COST-SAVING AUTOMATIC BANNERS WITH ROLLING CYLINDER CASSETTE

Experience the effective, affordable and fastest advertising with the eco roll up banners stands. The rolling cylinder comes ready at the point available to place in the art work. After the placement of the art work, the cylinder runs immediately once the pin on one end is off. The rolling cylinder can be set up and stretched in the required tightness.

KEY SELECTION ATTRIBUTES

- * Eco Roller Banners with rolling cylinder cassette design for easy poster placement and effective impression for a reasonable price for indoor advertising.
- * The roll up banner stand is produced from natural silver anodized aluminum in standard, making the banner stand designs sleek and elegant.
- * Suitable for INDOOR applications with 31.49"x78.74" and 39.37"x78.74" poster sizes.
- * One set includes a top banner holder with clamp mechanism, a hanger pole with 3 pipe parts and a silver anodised aluminium body with rolling cylinder cassette, stainless legs and pipe fixation for stability. Black carry bag for Eco Roll Banner should be ordered separately.
- * Stainless aluminium legs with 14.37" length are suitable for public spaces.
- * Suitable for vinyl posters. Maximum poster height is 78.74". Height of roll up banner is fixed and graphic can be attached inhouse with the help of the clamp on the rails.
- * Poster placement is made easy with the rolling cylinder cassette. The rolling cylinder comes ready at the point available to place in the art work. After the placement of the art work, the cylinder runs immediately once the pin on one end is off.
- * The Rolling cylinder can be set up and stretched in the required tightness.
- * Eco roll up banner stands are provided without graphics and you have to have your tailor-made graphics printed at a nearby print shop.
- * For storage and transportation the retractable banner automatically rolls the poster into the base.
- * Each of these retractable banner stands can be carried with a textile bag for easy transportation.
- * Packed unasssembled with an easy-to-understand instruction sheet.

One set includes a top banner holder with clamp mechanism, a hanger pole with 3 pipe parts and a silver anodized aluminium body with rolling cylinder cassette, stainless legs and pipe fixation for stability. Stainless aluminium legs with 14.37" length are suitable for public spaces. Eco roll up banner stands are provided without graphics and you have to have your tailor-made graphics printed at a nearby print shop. For storage and transportation the retractable banner automatically rolls the poster into the base. Each of these retractable banner stands can be carried with a textile bag for easy transportation. Black carry bag for Eco Roll Banner should be ordered separately.

Design Considerations

Eco Roller Banners with rolling cylinder cassette design for easy poster placement and effective impression for a reasonable price for indoor advertising. Suitable for INDOOR applications

with 31.49"x78.74" and 39.37"x78.74" poster sizes. Suitable for vinyl posters. Maximum poster height is 78.74". Height of roll up banner is fixed and graphic can be attached inhouse with the help of the clamp on the rails. Poster placement is made easy with the rolling cylinder cassette. The rolling cylinder comes ready at the point available to place in the art work. After the placement of the art work, the cylinder runs immediately once the pin on one end is off. The Rolling cylinder can be set up and stretched in the required tightness.

Cleaning and Disinfecting

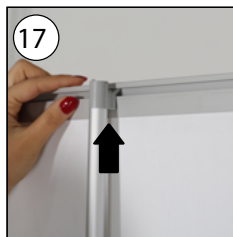

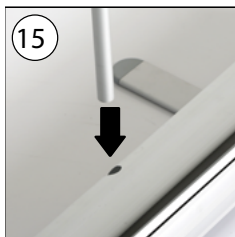

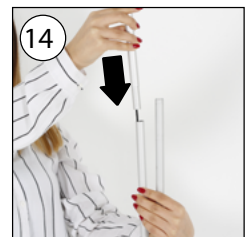

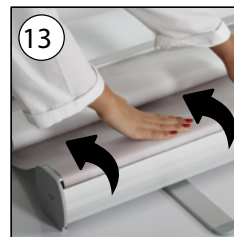

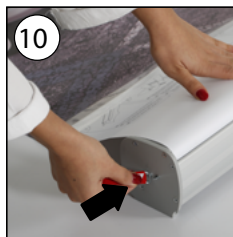

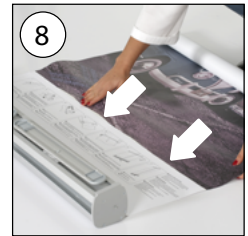

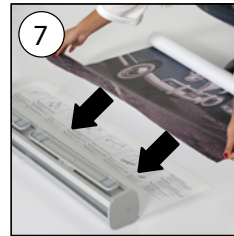

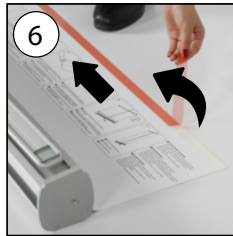

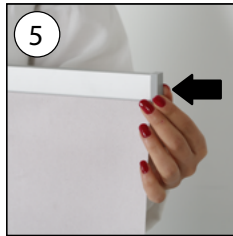

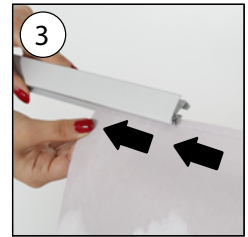

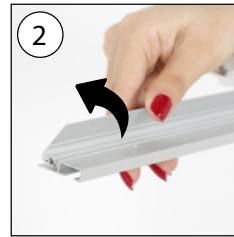

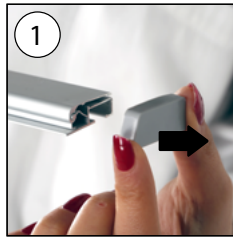

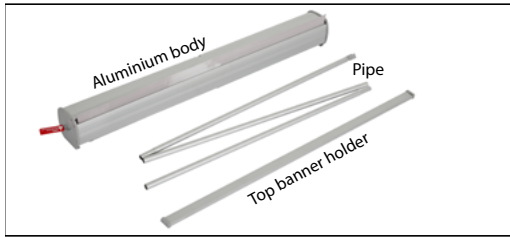

Clean your displays, with damp microfiber clothes, rinsed with simply water or warm, soapy or gentle shampooed water. Avoid using vinegar, abrasive, acidic, alcohol-based or heavy cleaners or cleaners containing Ammonia. Only after cleaning the product, if needed, simply apply disinfectant or sanitizer that is in compliance with your local guidelines and regulations.

INSTALLATION INSTRUCTIONS

Eco-Roller / 1001984

HOW TO CHANGE THE POSTER:

Take the locker pin back from underneath the main body. Roll back the poster until you see the double adhesive tape. Place the pin on the right side to lock the mechanism. Take off the poster. Follow the steps 1 to 9 above for the new poster.

- Please inform the order number on the product or on the carton (e.g. 1/110001394-460) to the place that you have made the purchase if any problem with the product occurs.
- All rights reserved. All pictures, figures and writings are secured internationally by copy-right law. Infringements will be sued by civil and legal law.
