

## NEWAGE POSTER CLAMP

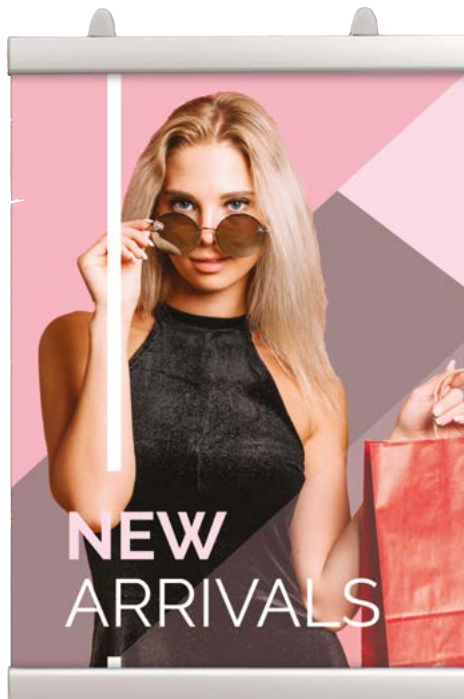

## HIGH QUALITY POSTER RAILS FOR EFFORTLESSLY HANGING AD SIGNS

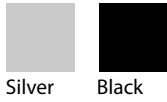

A newly created series of poster clamps offers competitive solutions. The aluminium poster rail is a low-cost banner grip for various applications. They are used as sign hangers and high quality poster rails that represent posters with minimal effort and visibility. These poster clamp hanging rails have bottom and top rails, 2 rails on a set to hold posters in between. One set comes with profiles, end caps and hangers. The banner rails are made of aluminium and the profiles are easy to open with your fingers and no tools are required. The Banner Grip models are available in a variety of sizes and are suitable for all hanging poster requirements. Posters are held high in the rails and do not fall off. These indoor hanging sign holders are less expensive compared to conventional snap frames. These inexpensive rails are usually used in front of shop windows with suction cups or clear strings. It's suitable for silk screen printing.

### KEY SELECTION ATTRIBUTES
