

NOVEL FREE STANDING LEAFLET DISPLAY

MULTIPLE VARIATIONS OF POSTER DISPLAYS AND BROCHURE HOLDERS

New to our range, this robust, silver anodised Novel Free Standing brochure and sign system allows designing various styles to suit different environment. 4-channel profile holds accessories to make single sided or double sided display system.

KEY SELECTION ATTRIBUTES

- * Free standing, four sided, new range brochure stands for meeting different needs by utilizing multiple variations of display models at low cost.
- * Suitable for INDOOR public spaces with capacity of holding banners, single-sided or double -sided frames and shelves separately or collectively on four sides of the main pole for various poster & brochure sizes.
- * One main body set includes a robust pole made from 2.75"x1.18" anodised aluminium profile with 75.59" height and 4 slide-in channels on both sides, a heavy decorative base made from Ø17.71" metallic gray RAL 9006 powder coated steel with 0.23" thickness for stability, bolts and allen key for installation.
- * To complete a product, main body and required quantities of banners, poster frames and/or brochure holder shelves need to be ordered separately.
- * Snap or Slide-in poster frames, banners, brochure holders and shelves with special codes are packed with fixing elements for sliding in the channels of four sides of the pole and fixing at desired height.
- * Snap frames with 1" profiles are recommended for use in portrait and landscape positions. Powder coated steel shelves with 0.047" thickness, clear acrylic shelves with 0.15" thickness, Ø9.84" circle and 9.84"x9.84" square shaped MDF shelves are available as optional accessories.
- * Optional acrylic logo header with 0.118" thickness, is not included in original pack, should be ordered separately.
- * Make up your own stand in your desired variation. Heavy & stable base for public spaces.
- * Natural silver-anodized main body profile and poster frames, metallic gray powder coated steel base, powder coated shelves, transparent shelves and headers in standard. Custom colors also available, call for custom color requests.
- * Main body of Free Standing Leaflet Displays is packed unassembled in 2 boxes with an easy-to understand instruction sheet & fixing elements. See info chart for pack sizes. Assembled in 40 seconds.

2 years warranted by MT Displays. See conditions: [Warranty Conditions](#)

Installation Considerations

Main body of Free Standing Leaflet Displays is packed unassembled in 2 boxes with an easy-to-understand instruction sheet & fixing elements. See info chart for pack sizes. Assembled in 40 seconds. One main body set includes a robust pole made from 2.75"x1.18" anodised aluminium profile with 75.59" height and 4 slide-in channels on both sides, a heavy decorative base made from Ø17.71" metallic gray RAL 9006 powder coated steel with 0.23" thickness for stability, bolts and allen key for installation. To complete a product, main body and required quantities of banners, poster frames and/or brochure holder shelves need to be ordered separately. Snap or Slide-in poster frames, banners, brochure holders and shelves with special codes are packed with fixing elements for sliding in the channels of four sides of the pole and fixing at desired height. Snap frames with 1" profiles are recommended for use in portrait and landscape positions. Powder coated steel shelves with 0.047" thickness, clear acrylic shelves with 0.15" thickness, Ø9.84" circle and 9.84"x9.84" square shaped MDF shelves are available as optional accessories. Optional acrylic logo header with 0.118" thickness,

is not included in original pack, should be ordered separately. Make up your own stand in your desired variation. Heavy & stable base for public spaces.

Design Considerations

Free standing, four sided, new range brochure stands for meeting different needs by utilizing multiple variations of display models at low cost. Suitable for INDOOR public spaces with capacity of holding banners, single-sided or double-sided frames and shelves separately or collectively on four sides of the main pole for various poster & brochure sizes.

Cleaning and Disinfecting

Clean your displays, with damp microfiber clothes, rinsed with simply water or warm, soapy or gentle shampooed water. Avoid using vinegar, abrasive, acidic, alcohol-based or heavy cleaners or cleaners containing Ammonia. Only after cleaning the product, if needed, simply apply disinfectant or sanitizer that is in compliance with your local guidelines and regulations.
