

Q BELT

TENSION TAPE PORTABLE AND RETRACTABLE CROWD CONTROL SYSTEM

Retractable crowd control system, Q Belt, is ready to use in place which offers a choice of post finishes combined with a selection of belt colours. It is suitable to be used wherever people come together. Such as airports, cinema halls, hotels, museums etc. 4 way pole provides the flexibility to create the optimum pedestrian flow. Retractable tape is controlled with tension to keep the tape straight when the tape is moved or pulled out. Q Belt is constructed from sturdy, durable steel. It features with rubberized and heavy weight base.

KEY SELECTION ATTRIBUTES

- * Highly durable steel Q Belt, crowd control system, equipped with a tension type retractable tape.
- * Portable and easy to assemble and disassemble with elegant design.
- * 4-way pole provides flexibility to create optimum pedestrian flow in high traffic areas like airports, cinema halls, hotels, museums and more.
- * Retractable tape is controlled with tension to keep the tape straight when the tape is moved or pulled out.
- * One set includes a heavy steel Ø13.58" circle base with 17.64 lbs weight; Ø4.65" steel profile post with 35.43" height; a tension type retractable tape suitable for use with header accessories; screw and spanner for installation. Header accessories with adapter are optional, not included in standard package, should be ordered separately.
- * Optional Slide-in Sign Frame or Acrylic Headers in landscape or portrait 8.5"x11" size can be rotated for 360° to ensure that the message is viewable from all angles.
- * Post and base is available in Gray, Chrome and Black colors in combination with 114.17" tape (± 2") in Black, Red and Blue colors.
- * Tape is suitable for branding in printing size of max 1.57"x106.3". Belt length may change between 82.68" to 114.17" depending on belt color and double side printing option and print design.
- * The heavy duty steel base with rubberized bottom provides stability.
- * Packed unassembled in 2 boxes with an easy-to-understand instruction sheet & fixing elements. See info chart for pack sizes. Easy to assemble.

Storage Conditions

Goods should be stored at 32° to 77°F in a dry place. Store in the original package.

Installation Considerations

Q Belts are packed unassembled in 2 boxes with an easy-to-understand instruction sheet & fixing elements. See info chart for pack sizes. Easy to assemble. One set includes a heavy steel Ø13.58" circle base with 17.64 lbs weight; Ø4.65" steel profile post with 35.43" height; a tension type retractable tape suitable for use with header accessories; screw and spanner for installation. Header accessories with adapter are optional, not included in standard package, should be ordered separately. The heavy duty steel base with rubberized bottom provides stability.

Design Considerations

Highly durable steel Q Belt, crowd control system, equipped with a tension type retractable tape. Portable and easy to assemble and disassemble with ergonomic and elegant design. 4-Way pole provides flexibility to create optimum pedestrian flow in high traffic areas like airports, cinema halls, hotels, museums and more. Retractable tape is controlled with tension to keep the tape straight when the tape is moved or pulled out. Optional Slide-in Sign Frame or Acrylic Headers in landscape or portrait 8.5"x11" size can be rotated for 360° to ensure that the message is viewable from all angles. Tape is suitable for branding in printing size of max 1.57"x106.3". Belt length may change between 82.68" to 114.17" depending on belt color and double side printing option and print design.

Cleaning and Disinfecting

Clean your displays, with damp microfiber clothes, rinsed with simply water or warm, soapy or gentle shampooed water. Avoid using vinegar, abrasive, acidic, alcohol-based or heavy cleaners or cleaners containing Ammonia. Only after cleaning the product, if needed, simply apply disinfectant or sanitizer that is in compliance with your local guidelines and regulations.
