

SMART ROLL BANNER SINGLE SIDED

RETRACTABLE BANNER WITH ELEGANT DESIGN

Do you want your brand to speak out at trade shows, expositions and other promotional events?

Smart roll-up banners are made with the finest materials and craftsmanship. Each banner stand features a retractable system which protects poster during transportation as well as ease poster application. The base houses the rolled banner, top clamp rail, pole and feet. With the durable special carrying bag, you can easily carry and transport. Ideal for trade shows, Smart Roll Banner stands can last long and resist wear and tear.

KEY SELECTION ATTRIBUTES

- * Smart Roll Banners with retractable and telescopic design for practical, quick and easy set up.
- * Suitable for indoor advertising with 31.50", 35.43" and 39.37" width options.
- * Easily visible and incredibly appealing with over 78.74" (7 feet) height and natural silver aluminium anodized construction, making the banner stand sleek and elegant.
- * One set includes an aluminium main body with rolling mechanism and feet, a unique telescopic pipe with min 39.37" and max 90.55" (min 3' and max 7.6') height adjustment and a top clamp profile with end caps.
- * End caps on top provides stability.
- * Just raise the telescopic pole, pull out the banner and adjust the poster tightness.
- * Do not loosen the mechanism when the printing is assembled on the top position.
- * Smart Roll Banners are provided without graphics and you have to have your tailor-made graphics printed at a nearby print shop.
- * Each of these retractable banner stands comes ready to roll-up in a black carry bag for easy transportation
- * Black carry bag should be ordered separately
- * It is a self-contained display. For storage and transportation, the banner is rolled in the base and folded telescopic pipe as well as top poster rail go into the storage of the base.
- * Re-use the very same Smart Roll Banner Single Sided stand unfolded and non-damaged for multiple times. With its black transport bag, it is so easy to carry it from one location to another.
- * Packed with an easy-to-understand instruction sheet.

Installation Considerations

Smart Roll Banners are packed with an easy-to-understand instruction sheet. One set includes an aluminium main body with rolling mechanism and feet, a unique telescopic pipe with min 39.37" and max 90.55" (min 3' and max 7.6') height adjustment and a top clamp profile with end caps. End caps on top provides stability. Just raise the telescopic pole, pull out the banner and adjust the poster tightness. Do not loosen the mechanism when the printing is assembled on the top position. Smart Roll Banners are provided without graphics and you have to have your tailor-made graphics printed at a nearby print shop. Each of these retractable banner stands comes ready to roll-up in a black carry bag for easy transportation. Black carry bag should be ordered separately

Storage Conditions

Goods should be stored at 32°F to 77°F in a dry place. Store in the original package.

Cleaning and Disinfecting

Clean your displays, with damp microfiber clothes, rinsed with simply water or warm, soapy or gentle shampooed water. Avoid using vinegar, abrasive, acidic, alcohol-based or heavy cleaners or cleaners containing Ammonia. Only after cleaning the product, if needed, simply apply disinfectant or sanitizer that is in compliance with your local guidelines and regulations.

Design Considerations

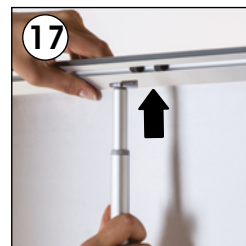

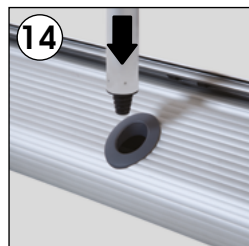

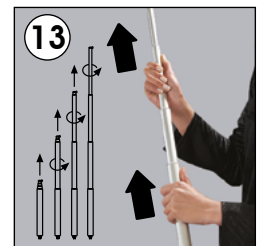

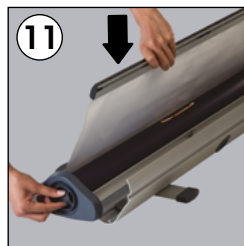

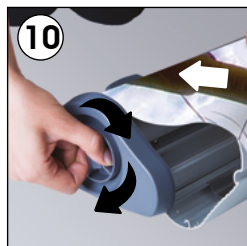

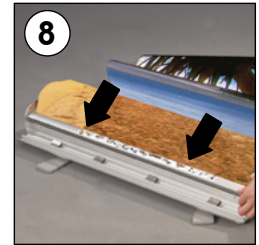

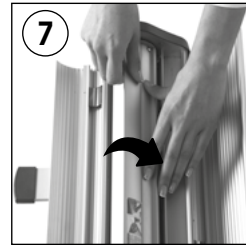

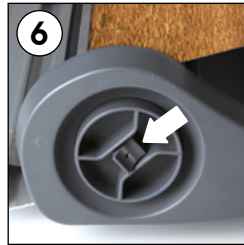

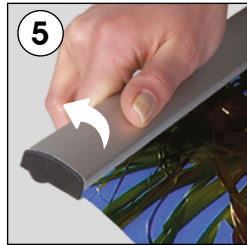

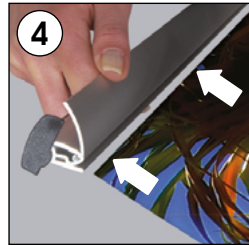

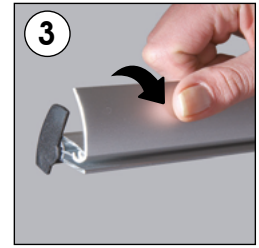

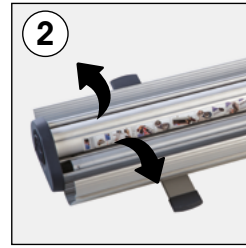

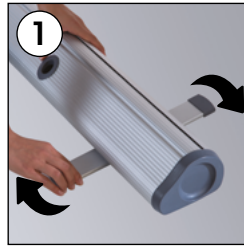

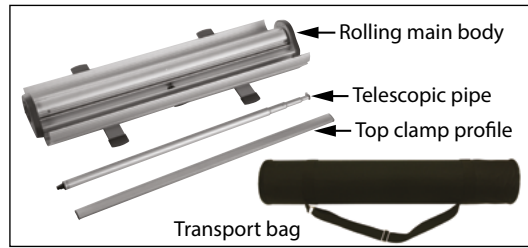

Smart Roll Banners with improved retractable and telescopic design for practical, quick and easy set up. Suitable for indoor advertising with 31.50", 35.43" and 39.37" width options. Easily visible and incredibly appealing with over 78.74" (7 feet) height and natural silver aluminum anodized construction, making the banner stand sleek and elegant. It is a self-contained display. For storage and transportation, the banner is rolled in the base and folded telescopic pipe as well as top poster rail go into the storage of the base. Re-use the very same Smart Roll Banner Single Sided stand unfolded and non-damaged for multiple times. With its black transport bag, it is so easy to carry it from one location to another.
