

## MAGNA STAND POSTER DISPLAY

### DURABLE, COST-EFFECTIVE MAGNETIC DISPLAYS

Magna Stand Poster Display is designed for flexible and professional information presentation. Its durable steel construction provides stable use and long-lasting performance. Magnetic poster pockets ensure secure document display and easy poster replacement. Thanks to its smart modular design, multiple magnetic pockets can be mounted simultaneously for presenting different contents at the same time. Ideal for offices, showrooms, fairs, conferences and retail spaces.

### KEY SELECTION ATTRIBUTES

- \* Single-sided, freestanding floor display designed to hold magnetic poster pockets for quick and effortless graphic content replacement.
- \* Suitable for high-traffic INDOOR environments with a space-saving slim design.
- \* Modern and minimal design suitable for professional environments. Clean and organized information presentation.
- \* Expandable to accommodate up to 2 Letter (8.5" x 11") and 2 Half Letter (5.5" x 8.5") magnetic PET poster pockets.

PHYSICAL DATA

- Material**  
Powder coated sheet metal body and base with 0.71" thickness. Magnetic PET poster pockets.
- Surface Finish**  
Powder-coated steel structure in black (similar RAL 9005). Optional custom RAL colors available upon request. Magnetic frame surface designed for clean and professional poster presentation.
- Storage Conditions**  
Goods should be stored at 32°F to 77°F in a dry place. Store in the original package.
- Design Considerations**  
Modern and slim freestanding floor display system designed for professional poster presentation. Single-sided structure with stable steel base and compact footprint for space-efficient use. Magnetic frame system enables quick and easy poster changes with a clean and frameless visual appearance. Suitable for INDOOR use in retail, office, exhibition, fair and showroom environments. Designed for A4 and A5 poster inserts with clear and organized information display. Provides stable performance for daily use in professional communication areas.

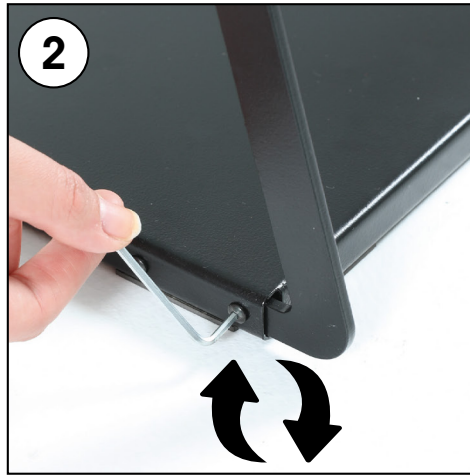

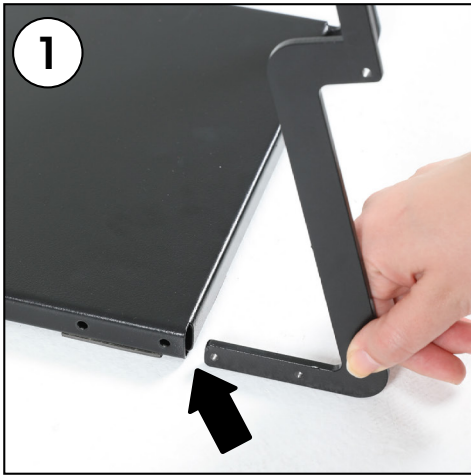

- Installation Considerations**  
Magna Stand Poster Display is supplied un-assembled in a single package with easy-to-follow installation instructions. All necessary fixing components are included for quick setup. The system is designed for fast assembly without special tools, ensuring efficient installation on site. Each set includes a 10.24" x 45.28" powder coated sheet metal body with 0.71" thickness, a 10.24" x 13.78" powder coated sheet metal base with 0.71" thickness. Magnetic PET poster pockets are not included in standard package, should be ordered separately. The stand can accommodate up to 2x A4 and 2x A5 magnetic PET poster pockets. All components are designed for indoor use and comply with standard quality production processes. Optional accessories such as additional magnetic frames or carrying solutions can be supplied upon request.
- Recycled Content**  
Up to %78 recycled content used.
- Warranty**  
All products are guaranteed for 3 years by MT Displays with below conditions:  
[Warranty Conditions](#)

- Cleaning and Disinfecting**  
Clean your displays, with damp microfiber clothes, rinsed with simply water or warm, soapy or gentle shampooed water. Avoid using vinegar, abrasive, acidic, alcohol-based or heavy cleaners or cleaners containing Ammonia. Only after cleaning the product, if needed, simply apply disinfectant or sanitizer that is in compliance with your local guidelines and regulations.
- Hazardous Substances**  
M&T Displays prioritizes compliance with the REACH (Registration, Evaluation, Authorisation and Restriction of Chemicals) and RoHS (Restriction of Hazardous Substances) directives to **protect both the environment and human health**. We ensure that our products do not contain substances listed under REACH and adhere to strict RoHS limits for hazardous materials. Our manufacturing process ensures that lead, mercury, cadmium, and other restricted substances remain within the permitted thresholds, guaranteeing safe and sustainable products for our customers.

# INSTALLATION INSTRUCTIONS

Brochure Sets / 1013899H000
