

STREET SIGNPRO BOARD

MULTIPURPOSE SIDEWALK SIGNS WITH PATENT PROTECTION

Made of durable plastic, Street SignPro Board is outdoor double sided sign frame which holds two signs in size of 24" (W) x 36" (H). Recessed sign area helps to protect poster faces. It is built with a molded-in handle for easy transport. Equipped with scissors on both sides, so SignPro does not slide and damaging sign faces. It is foldable for space saving in storage. No need to fill up with water or sand as it is already constructed with heavy materials. It is available in White and Black. Street SignPro Board is for laminating self-adhesive sticker.

PHYSICAL DATA

Material

Durable plastic HDPE main boards with $\pm 0.06''$ shrinking tolerance.

Poster Material & Thickness

Street SignPro Board allows using rigid graphics and laminating self-adhesive posters. When rigid graphics it is suitable for fluted PP, metal, and PVC foam board applied with well nut. When self-adhesive sticker is used, it is recommended 95micron PVC film. For the best result apply the sticker with surface preparation.

Surface Finish

White and Black in standard and various RAL colors available with MOQ. MOQ starts from 1000pcs based on the colour. Call for custom color requests.

Recycled Content

Up to 40% recycled content used.

Warranty

All products are guaranteed for 2 years by MT Displays with below conditions:

[Warranty Conditions](#)

Storage Conditions

Goods should be stored at 32°F to 77°F in a dry place. Store in the original package.

Installation Considerations

Street SignPro Board is packed with an easy-to-understand instruction sheet. One set includes double sided (HDPE) durable plastic boards with recessed sign areas to protect poster faces, wheels and a molded-in handle for easy transport, flat folded scissors on two sides for keeping the system stable and saving space during storage. No tool assembly required.

Design Considerations

Double-sided Street SignPro Board with Patent Protection (PCT/EP2017/052765). Easy to move and store with 17.64 lbs product weight. Suitable for Outdoor use with 24" (W) x 36" (H) poster sizes on both sides. Optional well nuts are available. 6 well nuts recommended per sign frame, total 12 well nuts per Street SignPro Board. No need to fill up water or sand as it is already constructed with heavy materials.

Cleaning and Disinfecting

Clean your displays, with damp microfiber clothes, rinsed with simply water or warm, soapy or gentle shampooed water. Avoid using vinegar, abrasive, acidic, alcohol-based or heavy cleaners or cleaners containing Ammonia. Only after cleaning the product, if needed, simply apply disinfectant or sanitizer that is in compliance with your local guidelines and regulations.
